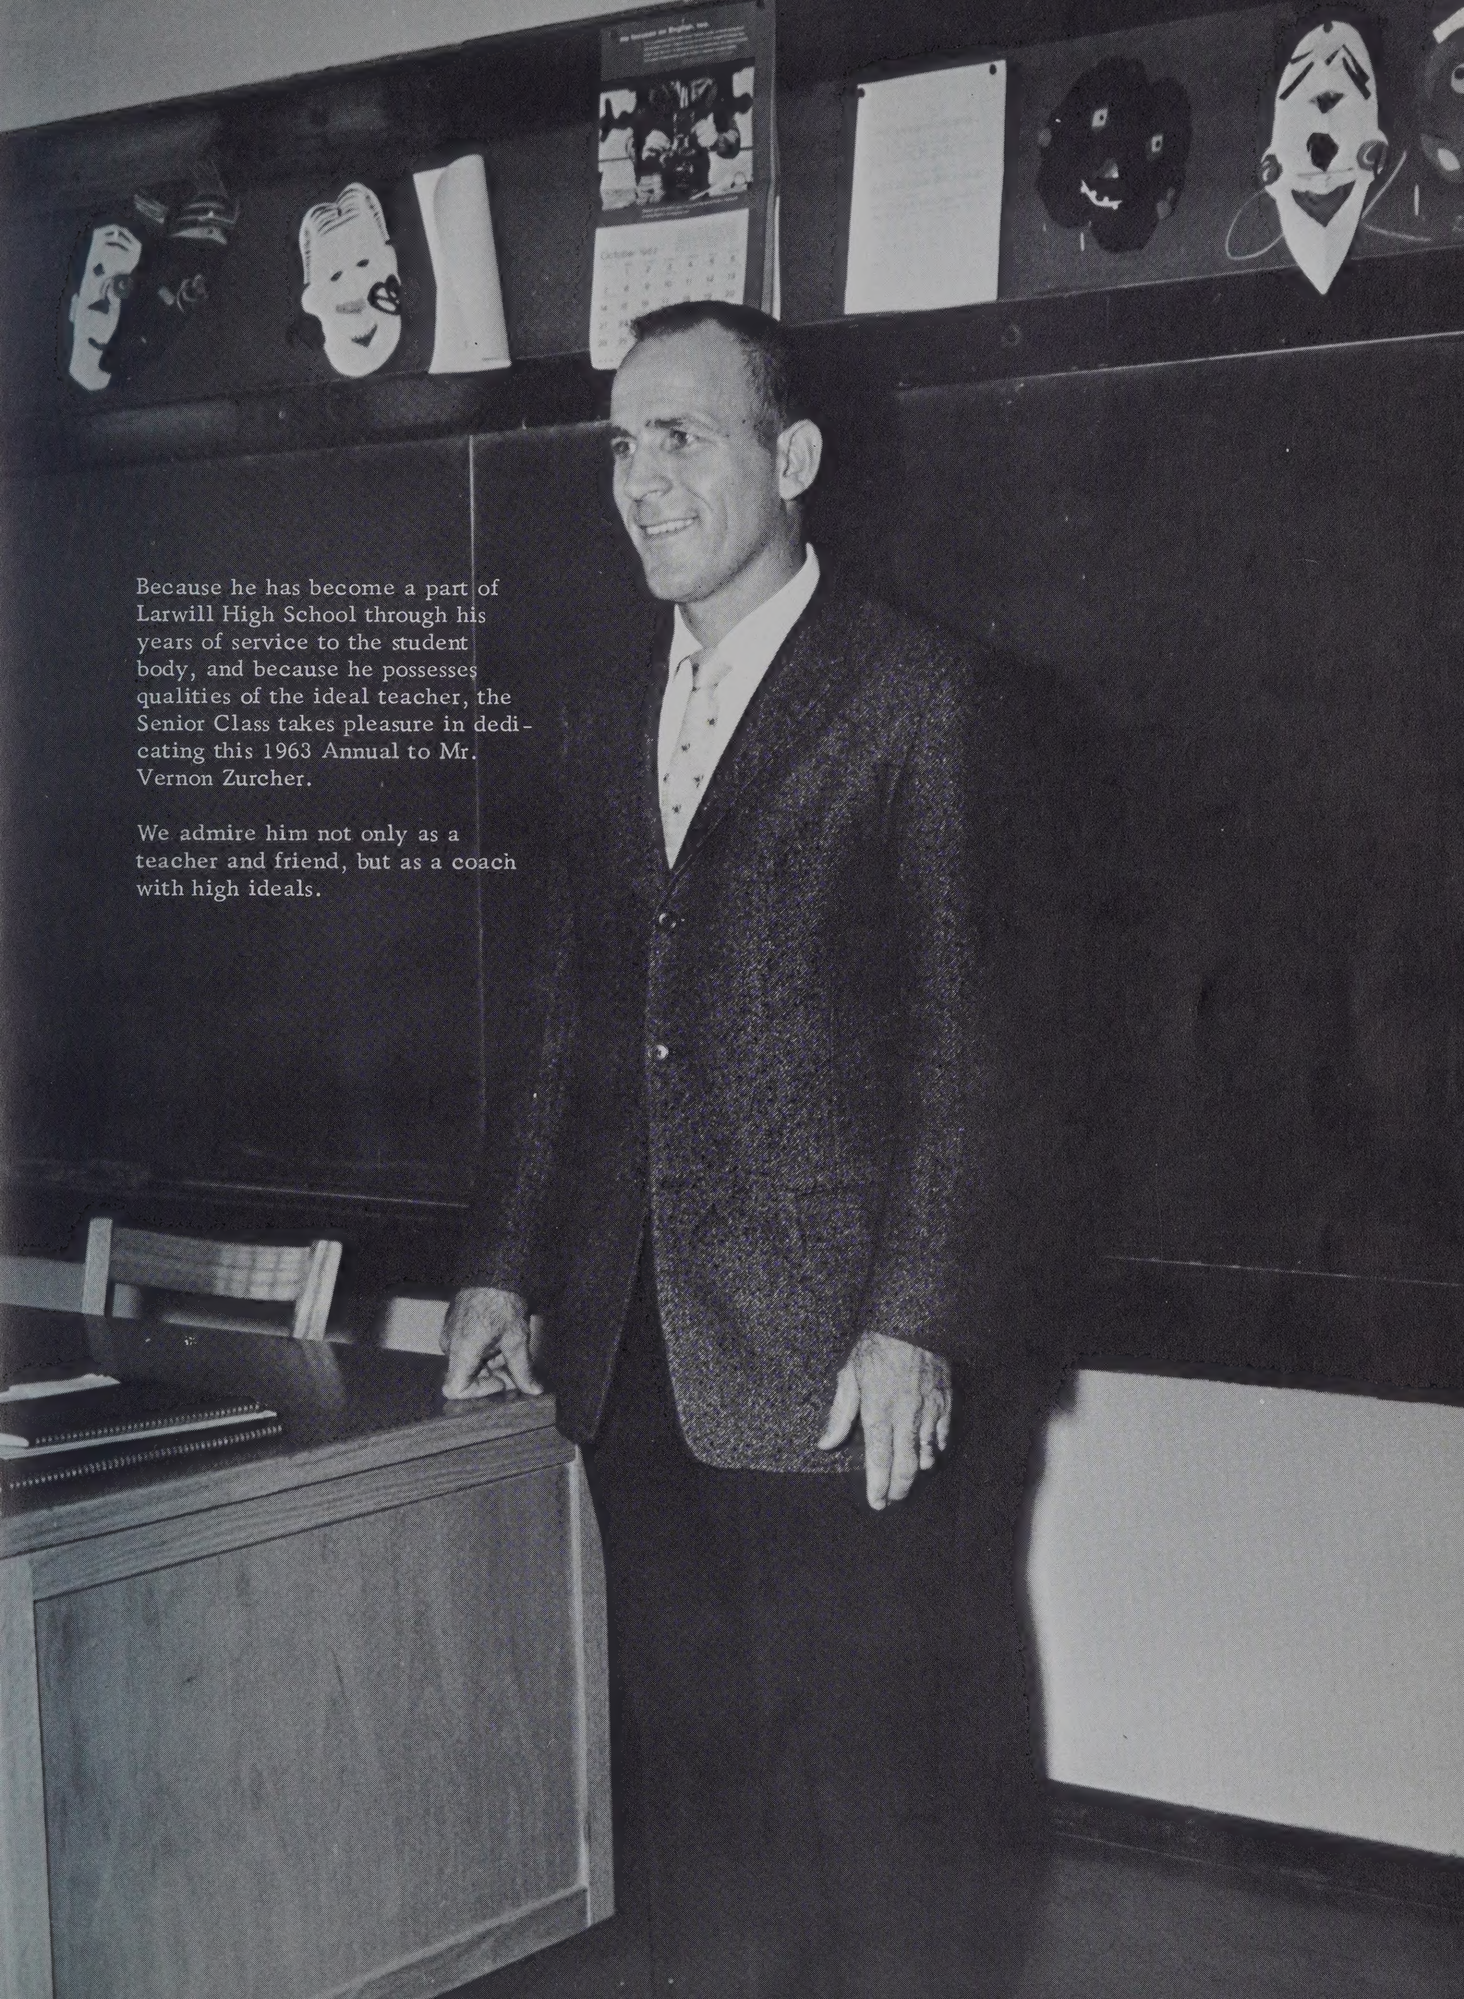
LARWILL SCHOOL
LARWILL, INDIANA

FOREWORD

It is said that old age should be full of pleasant memories, but they may easily slip away unless we have a reminder. The days of this year have quickly slipped away, but they have left invaluable memories of the many hours which we have spent together.

To make this book valuable in the coming years, we have tried to portray in pictures and words our cherished memories and enjoyable experiences. Thus, as the mellowing influences of the years steal over us, we shall be able to clearly recall the four years of happiness we have spent at Larwill High School.

We, the Reflector Staff, publish this book not only to furnish entertainment now, but to aid recollections in the future.



Because he has become a part of Larwill High School through his years of service to the student body, and because he possesses qualities of the ideal teacher, the Senior Class takes pleasure in dedicating this 1963 Annual to Mr. Vernon Zurcher.

We admire him not only as a teacher and friend, but as a coach with high ideals.

A king and a queen candidate were elected from each high school class. The queen candidate was required to be a Sunshine Society member and could not previously have been a candidate. Each contestant campaigned by collecting money for Riley Hospital at Indianapolis; each penny gave the candidate one vote.

At the first home basketball game, November 2, Senior Queen Candidate, Vicki Barney, and Senior King Candidate, Chaney Boles, were crowned. As tokens of their offices, Queen Vicki received a crown and a bouquet of red roses; King Chaney received a $5.00 gift certificate.
